## About This Game

Join the circus and travel around the galaxy! Create your team among 50+ different heroes and jump from cannon to cannon, from trampoline to trampoline, and several other obstacles. Collect coins, stars, tickets and other power ups! Unlock all seven different worlds in this addictive physics game. Collect coins to buy characters in the store which each have an own special power like a ballon or a teleporter!

### FEATURES:

- recruit 50+ heroes with individual powers
- play in seven different worlds with their own look and feel
- get items and power-ups to jump further
- complete objectives to get more coins

**Minimum:**

**OS:** XP

**Processor:** Core 2 Duo

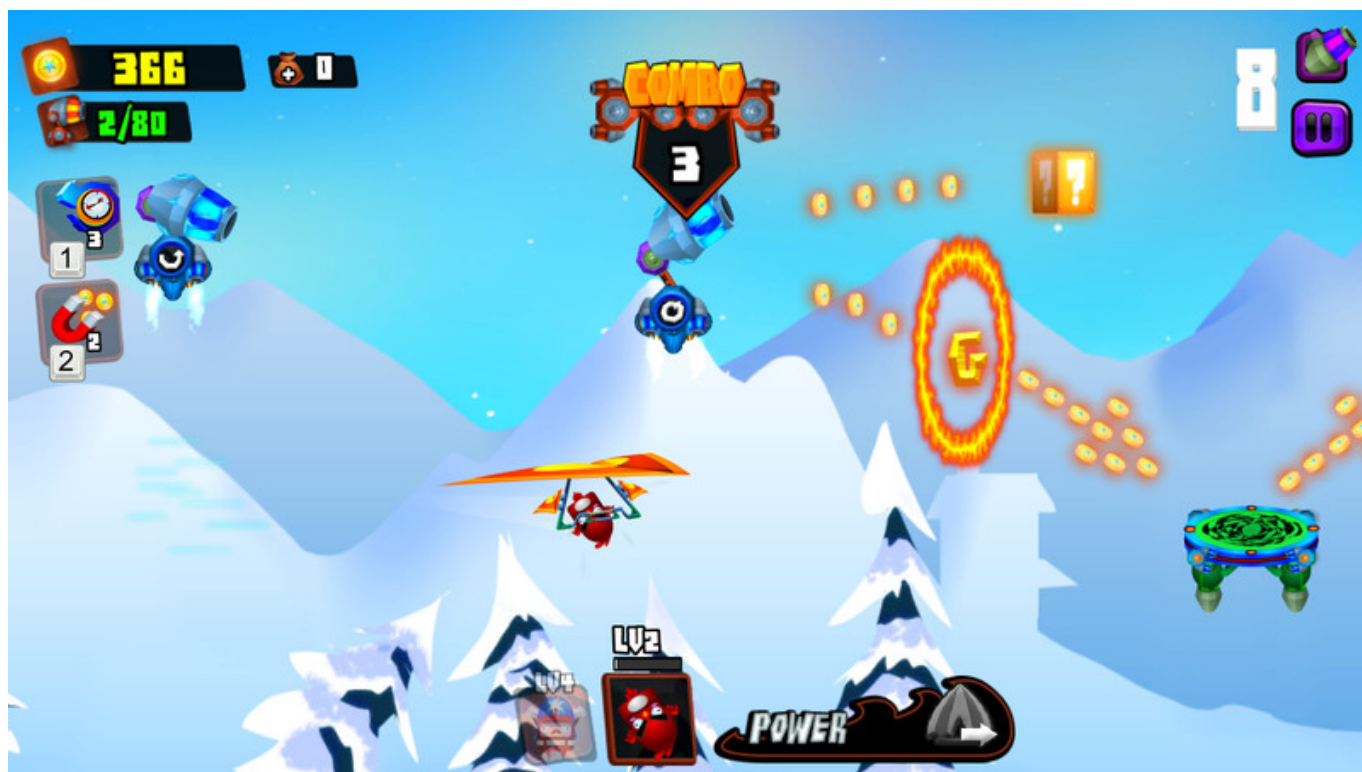

**Memory:** 2 GB RAM

**Graphics:** DirectX9 or higher

**Storage:** 600 MB available space

English

---

That's a pretty fun and addictive game, just like it seems in the trailer. I've had a lot of fun with the character names and powers. It's not that easy to unlock the last worlds. I only wish I could play multiplayer or had something to compare my records like a ranking. I would recommend this game to take a break between other major and sometimes serious games.. horrivel para pc, talvez no celular seja bom
